Senior Auditor	• A person who can evaluate the competency of the auditor certification applicant by attending the on-site audit

GPC Auditor Certification Procedure

Receipt of application documents → First-round document review → Payment → Final document review → Review by certification panel → Certification issuance
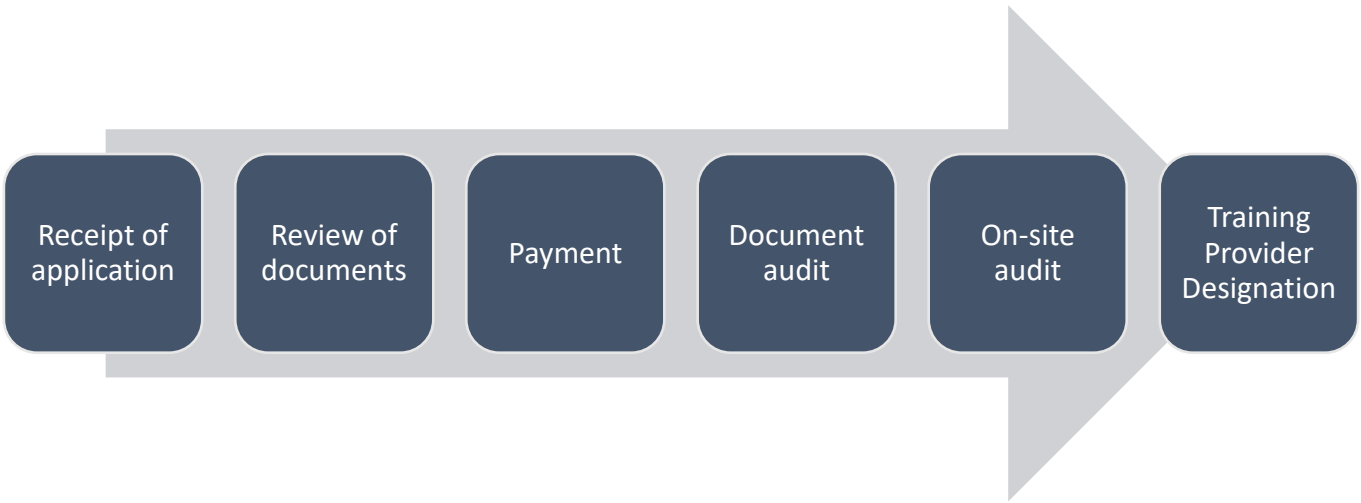

Global Personnel Certification

Training Provider

By signing an MLA with the International Personnel Certification Association (IPC) in relation to the certification of management system auditor and the designation of training providers, GPC has been granted the authority to designate training providers. As such, GPC only designates qualified institutions as training providers and works hard to develop auditors with expertise in various fields.

GPC approved training program
